

Please do come and join us as we hear what real life was like for a young cathedral chorister in Manchester in the mid nineties.

The Rev Edward Barlow invites you to St. John's church in Bexley on Wednesday evening of the 24<sup>th</sup> July at 7.30 pm as he reflects and reminisces about his years in the Manchester Cathedral Choir in the 1990s; a period that included the first ordinations of women in the Church of England, the IRA Manchester Bombing and the 40th Anniversary of the Munich Air Disaster.

We look forward to seeing you

**And then of course - just under a month later we have our annual**  
***TREASURE HUNT***

It will be in a rural area of Kent and we will be able to meander around a village and then gather in the church to see and hear the organ – part of which may date back to the early 18<sup>th</sup> century.

We can picnic in the church grounds, go to the loo and make cups of tea there - thanks to the kindness of the vicar and congregation. We can even use a room if the weather is inclement.

So can I please encourage you to put this date –

**“Saturday August 17<sup>th</sup>”**

In you diaries

Thank you
